**\*\*Attention Valued Direct Air Customers\*\***

As of Saturday 8/26/17 all freight consigned to Houston, TX is being diverted to our DFW station due to unsafe travel conditions in and around the Houston area caused by the impact of Hurricane Harvey this past weekend.

Freight will remain on hand at our Dallas facility until our Houston location is able to re-open, weather and travel conditions safely permitting. We will continue to monitor the situation and advise any updates as they become available.

Please feel free to contact us with any questions at (973) 242-8223 or email us at [operations@directairservice.com](mailto:operations@directairservice.com). Thank you for your patience and understanding during this time.

Sincerely,

The Staff at Direct Air Service
